

# CATCH'N'CLOSE CROWDERFRAME POCKET DOOR KIT

## INTRODUCING THE TYPE CC SERIES

### Catch'N'Close Crowderframe Pocket Door Kit

Catch'N'Close Crowderframe Pocket Door Kits are the answer where space is limited or where the swinging of a hinged door is undesirable or inconvenient. Enjoy the benefits of hiding the door in a wall for a clean and spacious look! It can be installed in single door or double bi-parting door applications.

#### Key Product Features:

- Complete with roll formed steel uprights for less deflection and easy to screw into for drywall fastening
- Provides easier and quicker installation than a traditional pocket built on site
- Integrating the revolutionary Catch'N'Close system prevents bouncing and slamming of the sliding doors and can be installed on both the opening and closing ends of the door
- For Standard 2X4 Wall Construction
