

CEILING TRACK SYSTEMS

QUICK RELEASE HANGER

C-411
Up to 150 lbs. [68 kg] per door

This medium-duty quick release hanger comes standard with precision ball bearing, nylon tire wheels and allows for fast and easy installation. Levelling and adjusting the height is easy and only requires one person. For top mounted single, bi-parting, bypassing or pocket doors. Available in clear, bronze or black anodized, mill finish or powder-coated.

TOP MOUNT HANGER

C-400
Up to 125 lbs. [57 kg] per door

This series is the ultimate goal for smooth sliding door systems. These hangers come with our precision ball bearing, nylon tire wheels and is ideal for solid core doors. For top mounted single, bi-parting, bypassing or pocket doors. Available in clear, bronze or black anodized, mill finish or powder-coated.

How to Specify/Order:

Kit Code: C-411 X [track length] 1DR KIT

Kit Code: C-400 X [track length] 1DR KIT

Note: [track length] = door width x 2 (for 1 door kits)
