

CROWDERFRAME POCKET DOOR KIT

INTRODUCING TYPE C SERIES CROWDERFRAME POCKET DOOR KIT

Crowderframe Pocket Door Kits are the answer where space is limited or where the swinging of a hinged door is undesirable or inconvenient. Enjoy the benefits of hiding the door in a wall for a clean and spacious look! It can be installed in single door or double bi-parting door applications.

Key Product Features:

- Complete with roll formed steel uprights for less deflection and easy to screw into for drywall fastening
- Provides easier and quicker installation than a traditional pocket built on site
- For Standard 2X4 Wall Construction
