QUICK RELEASE HANGER

C-911

Up to 200 lbs. [91 kg] per door

This heavy-duty hanger comes standard with nylon wheels and precision ball bearings for smooth and quiet door operation. Installation is fast and easy thanks to the quick release hanger assembly. Levelling and adjusting the height is also a breeze; only requiring one person. For single or bi-parting barn door applications.

Available in clear, bronze or black anodized or powder-coated.
